Centro Educativo  
Técnico Laboral Kinal

#### • Technical Degree

Centro Educativo Técnico  
Laboral Kinal  
(6th Year, Informatic  
Technic)

### ABOUT ME

Hello!

My name is Carlos Zeta, a student at Centro Educativo Técnico Laboral Kinal, pursuing a technical degree in computer science. Through various experiences, I have had the opportunity to be an instructor, both academically and in youth courses. My knowledge is grounded in what I have learned so far in my degree program. Personally, I excel in problem-solving and paying attention to the smallest details in any work environment.
